

Testimonials:

"I thought getting my own separate attorney would protect my rights better, but 2 appointments into mediation I let him go and it was the best decision I could have made. My mediator was amazing!" - J

"I saved so much money, time, and emotional aggravation by mediating my divorce" - Cindy

"McNamee Mediations is very professional yet caring. You feel like you are more than just a case. I never thought my wife and I would be able to reach an agreement and in a few short months we both walked away happy with the outcome - unbelievable!" - Steve

"My wife and I are both well-known professionals in the community and were concerned with fairness and privacy; mediation was the perfect choice for us." - Anonymous

"My husband and I both had our own attorneys for a year and a half and not much of anything got done besides a lot of emotional stress and fees being billed. We finally broke down and decided to try mediation instead and everything was done within 3 months and for a fraction of what we had already spent! We both said we wish we had gone to mediation from the get-go." - Christine

"Mediation actually helped my spouse and I to have a better relationship with each other when all was said and done!" - Chris
